PURPOSE OF THE SCHOLARSHIP

The purpose of the Will County Legal Opportunity Scholarship Program is to encourage diversity within the Will County legal community by giving a Black or Latino law student entering their first- or second-year of Law School in the fall of 2024 financial assistance for School and the opportunity to reduce outstanding legal education debt while gaining valuable networking within the community.

HOW THE SCHOLARSHIP PROGRAM WORKS

The recipient of the Will County Legal Opportunity Scholarship Program will be awarded \$5,000 per year for three years to first-year students to assist in payment of law school tuition. For second-year students \$10,000 will be awarded toward their second-year and \$5,000 in the final year of law school to assist in payment of law school tuition. These payments will be paid directly to the law school after the recipient provides proof of enrollment at the beginning of each semester, and proof that the student is meeting the minimum 2.6 GPA requirement. The recipient shall provide a copy of his or her report card to the Scholarship Committee after being posted each semester. A first-year recipient must complete law school within three years of the Fall 2024 semester and a second-year recipient must complete law school within two years of the Fall 2024 semester.

During law school, the recipient will have the opportunity to enroll in summer internships through the Will County Courthouse, State's Attorney's Office, Public Defender's Office, and participating Will County Law Firms. This unique opportunity will provide an excellent opportunity for the recipient to network and display his or her professional and community leadership skills.

The recipient of the Scholarship will receive an additional \$1,000 to use towards a bar preparation course after recipient provides proof of enrollment for the Illinois Bar Examination.

Upon successfully passing the Bar Examination and obtaining employment with a governmental entity in Will County or actively practicing law in Will County, the recipient will receive up to \$7,600 per year for up to three years to pay any outstanding student loan debt. The recipient will be required to provide statements indicating the amount of law school student loans that remain outstanding for each of the three years after graduating law school. The Will County Bar Association ("WCBA") will pay any outstanding balance up to \$7,600 per year directly to the financial institution that holds the loan for a three-year period, so long as the recipient meets the following requirements:

1. Is licensed to practice law in Illinois,
2. Is in good-standing with the ARDC,
3. Is employed by a governmental entity, law firm, and/or as a sole practitioner in Will County, and
4. Is actively practicing law within Will County.

ELIGIBLE STUDENT LOANS

Student loans incurred for tuition, fees, and other expenses associated with completion of the recipient's legal degree are eligible for payment under the Scholarship.

Student loan debt incurred to complete other academic degrees are not eligible for payment under the Scholarship.

Any payment up to \$7,600 to repay outstanding legal education debt will be paid directly to the financial institution that holds the loan.

Payments by the Will County Bar Association under this service agreement do not exempt the recipient from his/her responsibility and/or liability for any loan(s) for which they are obligated, as the Will County Bar Association is not obligated to the lender/note holder for its commitment to the recipient. The recipient is still responsible for the entire loan balance(s), including any amount not paid by the Will County Bar Association.
